

Telehealth Billing Quick Reference for RHCs & FQHCs

CMS Distant Site Telehealth Changes · Effective October 1, 2026 · CY 2026

What's changing: Starting October 1, 2026, RHCs and FQHCs must bill the **individual CPT or HCPCS code** for distant site telehealth services — **not** HCPCS code G2025 . Report the appropriate revenue code plus modifier 93 (audio-only) or 95 (audio + video).

Quick Facts

Item	Detail
Effective date	October 1, 2026 (implementation: October 5, 2026)
Code being retired	G2025 — no longer used for distant site telehealth
What to bill instead	Individual CPT or HCPCS code for the specific service
Required modifiers	93 = audio-only · 95 = audio + video
CY 2026 payment rate	\$97.53 per service
Flexibilities extended through	January 1, 2028 (Consolidated Appropriations Act, 2026)
Originating site facility fee (Q3014)	\$31.85 for CY 2026

How to Bill: Step by Step

1. Identify the specific telehealth service provided (office visit, behavioral health, therapy, etc.).
2. Select the matching CPT or HCPCS code from the CY 2026 telehealth list (see below).
3. Append modifier 93 (audio-only) or 95 (audio + video).
4. Report the appropriate revenue code for your clinic type.
5. Submit the claim — do **not** use G2025 for dates of service on or after October 1, 2026.

Pre-October 1 Checklist

- Update billing system to accept individual CPT/HCPCS codes for telehealth
- Remove G2025 as the default telehealth code for distant site services
- Train billing staff on modifier 93 (audio-only) vs. 95 (audio + video)
- Update EHR templates that auto-populate G2025
- Brief providers on documenting service type and modality for each visit
- Confirm with your MAC how claims will be handled Oct 1–5
- Download and circulate the full CY 2026 telehealth code list
